FADE-RESISTANT FABRICS. ENDLESS COMFORT

INTRODUCING FADE- RESISTANT UNIFORM FABRICS

Uniforms play an integral part in a child's life and identity. A good uniform reflects positively on the school's image. Brighter uniforms mean brighter kids. Hence, today schools expect their uniforms to be as bright as their school children.

Valji uniform is proud to present Uniforms crafted with Spunshades, a complete spectrum of uniform from the house of LIVA – a trusted name in viscose staple fiber, the color lock technology keeps uniforms nice and bright with frequent washes and bringing nature and science together.

COLOUR-LOCK TECHNOLOGY

Colour lock technology infuses colour pigments into the fibre during the manufacturing process such that colour gets locked inside the fibre to avoid colour loss during home laundering.

GREENER PLANET

Being biodegradable fibres, Spunshades is ecofriendly and therefore promotes a greener environment.

EXTENSIVE COLOUR RANGE

A complete spectrum of uniform shades that allows you to create thousands of uniform designs.

SUPREME COMFORT

Uniforms crafted with Spunshades fabrics are soft, breathable and highly absorbant, providing school children supreme comfort all day long.

MOST UNIFORM OF UNIFORMS

No variation in the shade or tone of the uniform, batch after batch.
